

COPPER NEWS IS LESS CHEERFUL

Increase in Supply Shown in European Report; Storm Stalled Business on the Exchanges Yesterday

NEW YORK, March 2.—Activities in the financial district were largely curtailed by the storm today, which kept brokers from the exchange and customers from the commission houses. Delay in the mails and interruption of telegraphic communication reduced outside business to a minimum. The volume of the trading was the smallest of the year.

The market sagged, but the decline was due less to pressure than to listlessness. London sent over a lower range of prices and then called selling orders for about 15,000 shares. This was about the only positive influence on the home market and mainly responsible for the day's movement.

The decline was of small proportions, only a handful of standard shares falling a point or more. The traders favored the short side, believing that the technical position had been weakened by the driving in of the shorts last week.

The unfavorable bank statement of Saturday and additional January railroad reports showing large decreases in earnings, also affected the list adversely.

Report of growing dullness in the copper market found corroboration as far as concerns the foreign situation, in the increase in supplies showing in the fortnightly European statistics. United Express was one of the few stocks to develop strength. It rose 6 points. The bond market was irregular. Sales \$1,745,000.

That Jar of MUSTEROLE On the Bath-Room Shelf

It's relieved pain for nearly everyone in the family. When little Susie had the croup, when Johnny got his feet wet and caught cold, when father sprained his knee, when Granny's rheumatism bothered her—

That jar of MUSTEROLE was right there to give relief and comfort.

MUSTEROLE is a clean, white ointment, made with oil of mustard. It will not blister like a mustard plaster.

Quick relief for Sore Throat, Bronchitis, Tonsillitis, Croup, Stiff Neck, Asthma, Neuralgia, Headache, Congestion, Pleurisy, Rheumatism, Lumbago, Pains and Aches of the Back or Joints, Sprains, Sore Muscles, Bruises, Chilblains, Frosted Feet, Colds on the Chest (it prevents Pneumonia). Nothing like MUSTEROLE for croupy children.

In 25c and 50c jars, and a special large hospital size for \$2.50. Accept no substitute.

If your druggist cannot supply you, send 25c or 50c to the MUSTEROLE Company, Cincinnati, Ohio, and we will mail you a jar, postage prepaid. S. J. Buchanan, Lowellville, Ohio, says:

"We have been using Musterole for two or three years past and find it very good. It is always in our medicine cupboard."
